

TO: AMOA Members
FROM: AMOA Political Action Committee (PAC)
SUBJECT: Authorization to Solicit Contributions to the AMOA PAC

We need your help to continue delivering our message to lawmakers and represent YOUR business interests, AMOA must be able to raise funds and financially support federal candidates through an active PAC program. Federal law requires the AMOA PAC to obtain advance approval to solicit contributions from the executive and administrative personnel of its corporate members. This means we may not solicit you for contributions until you explicitly authorize the AMOA PAC to do so.

Accordingly, please fill out the form and scan, mail, or fax it back to AMOA as soon as possible. This will allow us to begin raising funds for the PAC. We look forward to receiving the approval form, and to working with you to increase our industry's participation in the electoral process. **AMOA is not seeking a contribution currently, just your permission to do so in the future.**
